What happens when you contact the clinic?

We will send you information on the Clinic and questionnaires to help us to understand you better. Once you have returned these forms, one of our therapy team will contact you to arrange an appointment.

This first session will involve an interview with one of our therapy team and filling out additional questionnaires. At this point we will be able to suggest a treatment plan.

Treatment usually runs for eight sessions. If you and your therapist feel that more or less treatment would be better, this can be arranged.

What are the fees for our Service?

The cost of a 50-minute session is $30. The first assessment session is usually one and a half hours and the fee is $35. Fees are subject to change without notice.

What do you do now?

If you feel we can assist you, then please call the Robin Winkler Clinic on 6488 2644. We will send you additional information that includes forms that need to be filled out and sent back before we can arrange a first assessment session.

Hours of operation

The Robin Winkler Clinic is open from 9am until 8pm on Monday, Tuesday, and Wednesday, and from 9am until 5pm on Thursday and Friday.

The Robin Winkler Clinic may be able to help you!

The Robin Winkler Clinic is a clinical psychology unit linked to the School of Psychology at The University of Western Australia. The Clinic provides individual and group therapy for adults, children, and adolescents of all backgrounds with a wide range of difficulties. The Clinic also functions as a training and research facility. It is staffed by people trained in psychology and now being supervised as part of their postgraduate training in Clinical Psychology.
