Issues to be taken up

1. Develop a T&L operational priorities plan
2. Academic standards and academic assessment
3. Tutoring in the School
   applications for casual teaching and evaluation
   School prize for exceptional tutoring?
   tutors guidelines and responsibilities
4. Mid-year Honours entry
5. Issues from Student Liaison group as they arise
6. Evaluate Turnitin
7. Curriculum management, including the progression of quantitative methods across Years 1 to 4.
8. The Level of contact between academic staff and students: would it decline in the new undergraduate structure, and would that matter?
9. Rewarding good teaching
10. Get an optimal balance of classroom presentations by students and academics
11. Facilitating lab teaching in ‘mixed’(year 2 and 3) elective units
12. Structure of PSYC7416
